## Financial Policy

Thank you for choosing Neuro Spinal and Headache Center as your health care provider. We are committed to building a successful physician-patient relationship with you and your family. Your clear understanding of our Patient Financial Policy is important to our professional relationship. Please understand that payment for services is a part of that relationship. Please ask if you have any questions about our fees, our policies, or your responsibilities. It is your responsibility to notify our office of any patient information changes (i.e. address, name, insurance information, etc).

### **Co-pays**

The patient is expected to present an insurance card at each visit. All co-payments and past due balances are due at time of check-in unless previous arrangements have been made with a billing coordinator. We accept cash, check or credit cards. Absolutely no post-dated checks will be accepted.

### **Insurance Claims**

Insurance is a contract between you and your insurance company. In most cases, we are NOT a party of this contract. We will bill your primary insurance company as a courtesy to you. In order to properly bill your insurance company we require that you disclose all insurance information including primary and secondary insurance, as well as, any change of insurance information. Failure to provide complete insurance information may result in patient responsibility for the entire bill. Although we may estimate what your insurance company may pay, it is the insurance company that makes the final determination of your eligibility and benefits. If your insurance company is not contracted with us, you agree to pay any portion of the charges not covered by insurance, including but not limited to those charges above the usual and customary allowance. If we are out of network for your insurance company and your insurance pays you directly, you are responsible for payment and agree to forward the payment to us immediately.

### **Referrals and Pre-authorizations**

Certain health insurances (HMO, POS, etc.) require that you obtain a referral or prior authorization from you Primary Care Provider (PCP) before visiting a specialist. If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain the referral and/or preauthorization may result in a lower or no payment from the insurance company, and the balance will be your responsibility. Alternative payment arrangements or rescheduling of your appointment may be necessary if not obtained.

### **Self-pay Accounts**

Self-pay accounts are patients without insurance coverage, patients covered by insurance plans in which the office does not participate, or patients without an insurance card on file with us.. It is always the patient's responsibility to know if our office is participating with their plan. If there is a discrepancy with our information, the patient will be considered self-pay unless otherwise proven. Self-pay patients will be required to bring \$295 at the initial appointment. It is never our intention to cause hardship to our patients, only to provide them with the best care possible and the least amount of stress.

### **Workers' Compensation**

**It is the patient's responsibility to provide our office staff with employer authorization/contact information regarding a workers' compensation claim. If the claim is denied by the workers' compensation insurance carrier, it then becomes the patient's responsibility. At your request, we will submit the claim to your primary medical insurance carrier with a copy of the workers' compensation insurance denial. If your primary medical insurance carrier's claim is denied, you will be responsible for payment in full.**

### **Missed Appointments**

NSH requires 24-hour notice of appointment cancellation. Appointments missed and are not previously canceled may be charged a fee of \$25.00.

### **Returned Checks**

The charge for a returned check is \$35 payable by cash or money order. This will be applied to your account in addition to the insufficient funds amount. You may be placed on a cash only basis following any returned check.

### **Minors**

The parent(s) or guardian(s) is responsible for full payment and will receive the billing statements. A signed release to treat may be required for unaccompanied minors.

### **Outstanding Balance Policy**

It is our office policy that all past due accounts be sent three statements. If payment is not made on the account, the account will be sent to the collection agency, or attorney, and possible discharge from the practice.

In the event an account is turned over for collections, the person financially responsible for the account will be responsible for all collections costs including attorney fees and court costs.

Regardless of any personal arrangements that a patient might have outside of our office, if you are over 18 years of age and receiving treatment, you are ultimately responsible for payment of the service. Our office will not bill any other personal party.
